

REMARKS

The application has been further reviewed in light of the Office Action dated November 29, 2005. Claims 2 to 11, 14 to 24, 26 and 28 to 34 remain pending in the application. Reconsideration and further examination are respectfully requested.

Applicant's representative wishes to thank the Examiner for the courtesies extended during the telephonic interview conducted on July 26, 2006. During the interview, the Examiner suggested an amendment to the claims and indicated that the amendment would likely place the application in condition for allowance. Specifically, the Examiner suggested amending "clearing the scheduled items of information in response to the user interrupt" in Claim 14 to read --clearing the schedule of items of information in response to the user interrupt--.

In keeping with the Examiner's suggestion for allowable subject matter, Applicant has incorporated the Examiner's suggested amendment into the foregoing supplemental amendment.

No other matters having been raised, the entire application is believed to be in condition for allowance and such action is respectfully requested at the Examiner's earliest convenience.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

/Edward Kmett/
